

2022 CAMP PACKING LIST

General Packing Notes

Pack at least a 7-day supply of clothes.

Please remember that your camper will want to layer his/her clothes, as it will be cooler in the mornings and evenings than mid-afternoon. Brackenhurst is much cooler than Lukenya Getaway!

Be sure to label ALL clothing and other items with the child's name, and come with a master list of all items brought to camp.

This will help the counselor locate things if they are lost, and you can check against the list while your camper is packing up to leave camp. Even so, some things may get lost. Do not pack anything that would cause serious problems if it were lost: items of significant value should be left at home. It is the parent's responsibility to locate lost items on Closing Day. Items left at Camp will be donated to charity.

PROHIBITED ITEMS:

- **Cell phones, iPods, iPhones, iPads, computers, video games, or similar electronics**
- **knives or weapons of any kind**
- **valuable jewelry.**

These items will be confiscated and held during camp. Campers will not need to bring a phone as emergency contact numbers have been provided before they arrive.

Campers are responsible for their own belongings.

Camp BlueSky cannot assume responsibility for any items. Please use good judgment in determining what your child brings to camp. Our camp staff will do all they can to help campers keep up with their belongings, but the primary responsibility belongs to the camper.
